All are welcome to attend and space is set aside at the beginning of each meeting for public participation.

Work is continuing on road safety and speeding vehicles. Much work has been undertaken with Penny Acres School and a strongly worded letter has been sent to parents regarding parking at pick up and drop off times. If you have concerns, please contact the Parish Council so that these can be communicated.

There have been a number of vehicle thefts and residents are advised to report any suspicious vehicles and activities.

There have been reports about suspicious vehicles parking on Fanshawe Gate Lane. Residents are advised to report registration numbers and patrols have been increased. Residents are also encouraged to continue to report any incidents of anti-social behaviour and possible drug activity. In order to move these issues forward, Dronfield SNT need the community to carry on sharing information. This can be done via email to Jonathan Flower (see above) or feedback into the Neighbourhood Watch and diary sheets of activities. This information needs to be reported regularly and the Police will play their part. This will take some time and will not be resolved overnight.

REMEMBRANCE SUNDAY SERVICE

The Remembrance Sunday service will take place at our village's traditional time of 10.30am (i.e. **not** 11.00am, the church's new Sunday service time). This is to ensure that the Last Post, Silence and Reveille occur at the proper times, as part of the nation-wide Act of Remembrance.

As usual the service will begin in the church with the Act of Remembrance, Act of Homage, Last Post, Silence and Reveille all taking place within the church. After the Reveille (approx 11.04am) the Colour Party will assemble at the War Memorial for the Laying of Wreaths; they will then return to church for the National Anthem and the conclusion of the service.

All are welcome to attend all or part of the service.

We remember those from this parish who did not return home:-

1915 - V Woodward

1917 - E T Booker, S Jagger, W Higginbottom, D F Crookes, M Heath

1918 - P E Booker, F J Knight, J W Gregory, F Crofts

1922 - C G Ward

1939 - Jeanne Shepley

1940 - G R Shepley DFC, D C Shepley

At the going down of the sun and in the morning
We will remember them.***

The walk is approx. 4 miles long but there is a short cut.

If you would like to come just turn up on the day.

The cost of the walk is £5 and the proceeds will go to Holmesfield Church.

Please phone Robin Greetham on 01246 412767 if you have any queries.

HOLMESFIELD LOCAL MARKET

As we roll towards 7th December and the next Holmesfield Local Market we are excited to tell you all that we have three full venues which will be packed full of great local products and Christmas themed stalls. Please put the date in your diary NOW!

When we set up the market back in 2019 we set it up as a Charity Trust. One of the Trust's objectives is to support the local community by building the market so it would make a profit which would then be reinvested / donated back to community projects and activities. So far this year we have paid out the following donations:-

<i>Well Dressing</i>	<i>£120</i>	<i>Dronfield First Responders</i>	<i>£250</i>
<i>Glow Youth Club</i>	<i>£375</i>	<i>Church Restoration</i>	<i>£1,000</i>
<i>Defibrillator for Village at Rutland</i>	<i>£500</i>	<i>Hire of Church Hall</i>	<i>£445</i>

We could not do this without your ongoing support. Those of you who turn up to the markets, shop for local produce, handcrafted items, visit Moss Valley for a sarni, purchase a raffle ticket, or visit to meet friends for a tea, coffee or pint, are all contributing to the success of the market. For that we thank you.

If you haven't made it to a market yet, come and see what it's all about on 7th December 10.00am-2.00pm.

Finally, if you're a community group and you need some funding, please do contact us as we are keen to support. Email us at holmesfieldlocalmarket@gmail.com

HOLMESFIELD VILLAGE SOCIETY

Hi all and Happy Autumn! We hope that you are enjoying the season with the trees turning beautiful shades throughout our Village. As I write this, we are putting together the Village Pumpkin Trail. Last year our houses and gardens looked great dressed up for Halloween and many villagers enjoyed the now annual Pumpkin Trail, even if it was very wet on the actual night. We want a bigger and better trail this year and hope to beat the number of pumpkins out on display in 2023. It goes without saying that we are also hoping for a dry and eery All Hallows Eve!

November is a time for personal reflection and national gratitude for those who fought to protect our freedoms. The Holmesfield Village Society team have again put poppies up throughout the village, with some poppies dedicated to those lost by relatives in Holmesfield. To see your loved one's name on a poppy is especially moving and reminds us why, as villagers, we make this small gesture each year. The 'soldier memorials' will also be on display. Massive thanks to all those who helped to put the poppies and soldiers on display around the village.

After Remembrance Sunday we will then be headlong into our Christmas activities. The Village Society team will be putting up and decorating the Village Christmas tree in the Millennium Garden prior to the fantastic Christmas Market on **Saturday 7th December**. The last of our lovely village Christmas cards will be on sale at the market. You may recall we ran a competition last year to find a winter scene that we could turn into a Christmas card. I am delighted to say that we expect to have sold them all by the end of this market and we will plough all the monies raised from the sale of these cards into village projects and activities. It's easy to buy a pack if you still want to get hold of them and we will deliver! Simply call Helen on 07843 629272 or email holmesfieldvillage@gmail.com

On Sunday 22nd December, Santa and his helpful elves will be coming to his grotto once again at The George and Dragon – book early to see him to avoid disappointment using the form in this edition of the Newsletter.

As soon as Santa has departed we will reconvene in St. Swithin's Church Hall for carols and Christmas songs sung by the wonderful Barry Fisher. There will be carols, mulled wine, mulled cider and mince pies from 5pm. We are hoping it will be a very jolly Christmas and look forward to seeing you all soon!

Big love Helen, Alison, Elaine and Nick

SCAM CAR PARK QR CODES

Derbyshire County Council parking officers are warning you not to be fooled by scam QR codes on parking machines.

Fake QR codes used by scammers have been spotted on pay and display machines in Derbyshire prompting a warning to motorists not to fall for the fake payment method.

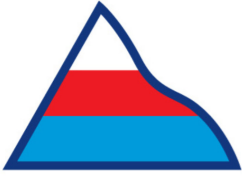

A driver in Chesterfield reported being stung by scammers after his bank warned him the payment he’d made using a QR code stuck onto a pay and display machine was suspicious.

An immediate investigation discovered several pay and display machines in Chesterfield had a rogue QR code sticker on them which have now been removed.

The county council does not use QR codes for payments for on-street parking so if there are QR codes on the machines, they’re not legitimate.

If you think you may have used a scam QR code to pay for your on-street parking in Derbyshire, or if you see a QR code on a machine, email parking@derbyshire.gov.uk or phone 01629 538671.

DARKER NIGHTS HAVE SEEN AN INCREASE **IN ATTACKS ON FARMS AND RURAL PROPERTIES**

The darker nights have seen an increase in attacks on farms and rural properties. We are working hard to identify and pursue those responsible but we are asking that farmers and rural communities are vigilant and take all reasonable measures to protect their property.

- Look for existing weaknesses - Before you put any security measures in place, you'll need to analyse your existing set-up. It may be you are already as secure as you can be in certain areas but there may also be glaring gaps that need to be filled. The only way to find out is to check thoroughly and think like a criminal. If possible, keep vehicles/machinery out of sight in a lockable building or garage and always remove machinery from fields, especially near roads when it is not in use.
- Consider your land and buildings from the perspective of a potential thief. What weaknesses can you spot? If you were trying to break in, what route would you choose? If you were planning to leave with bulky equipment how would you do it? This will allow you to address the most urgent problems first.
- Install security measures - Technology can offer a real advantage in deterring criminals. This includes alarms, security systems and motion activated lights. Put alarms on doors to buildings and point CCTV cameras at the most vulnerable spots on your farm.
- Visible deterrents will also help. Many criminals on farms are chancers or simply not that good at their chosen profession. Any form of obvious security could make them think twice and choose somewhere else to carry out their illegal activities. A loud alarm could well encourage them to flee empty handed. Visible security may also discourage the more innocent from straying on your land and scaring your animals.
- Check and double check locks on windows and doors. There are good locks and there are locks that anyone with a little knowledge can open quite easily. Check that your padlocks are strong – consider covers to them to stop them being cut through. Don't forget the hinges of the doors, as these can be real weak points. This is not an area where cost savings reap long term benefits. Try and get the best equipment you can as your locks can make a real difference between a safe and unsecured farm. And don't forget to store keys in places that aren't obvious as well.
- Check the perimeter - Security starts as soon as your land begins. Bolstering your perimeter security could include additional fencing, ditches to prevent unauthorised vehicles accessing your land and thick prickly hedges. Make sure existing infrastructure is in good working order. Don't offer any obvious open doorways to your property.
- Consider branding and serial numbers - Take the protection of your equipment and vehicles seriously. You can brand your equipment with unique serial numbers – such as etching into a window or the bodywork. Take photos as well. If your equipment is stolen, this will help with the recovery. Consider everything of value. For example, GPS kit theft has been a problem in recent years.

The Derbyshire Rural Crime Team Datatag initiative is still available for Derbyshire farmers

- Finally, always report suspicious visitors or behaviour on, at, or around your property to the police at the earliest opportunity.

IF YOU WERE A BURGLAR, WHICH WOULD YOU CHOOSE?

Dark, empty looking, houses can become a target for burglars.

Remember: lights, locks, alarms.

HOME SECURITY OVER THE WINTER MONTHS

As the darker autumn nights approach, we would like to remind residents to think about home security during the late afternoon and evenings.

By taking some simple steps you can reduce the chance of your home being a potential target to criminals, so we urge residents to keep windows and doors locked and secure at all times, whether they are in or out of the home.

Other advice and tips include:

- Make use of good outdoor security lighting to put off a burglar.
- Make your home look occupied when you are out- avoid leaving curtains closed during the day and use automatic timer switches to turn lights on when it gets dark.
- Consider fitting a burglar alarm - make sure it is installed properly by a reputable firm and is working. Also remember to set it before you leave home.
- A thorny hedge along the boundary of your property may put thieves off, as may a gravel path, as it's noisy to walk on.
- Always close any gates and secure them with a lock.
- Trim back any hedges or plants that a burglar could hide behind.

We also encourage people to be a good neighbour and to contact the police if you see anyone acting suspiciously in your area. Call 101 for a non-emergency, and 999 in an emergency situation.

You can also sign up to Derbyshire Alert to receive messages straight to your inbox about crime prevention tips and crime appeals : www.derbyshirealert.co.uk

SEPTEMBER – OCTOBER WEATHER 2024

I remarked last month that all the months this year- except for June and August - had been wetter than normal. Well, September has continued the deluge with almost eight inches of rain - almost three times the normal rainfall for September. Actually almost half of this rain fell on just one day – 30th September. That was not quite the wettest day that I have ever recorded but it was certainly sufficient to fill up what we refer to as Holmesfield Pond, the field at East Hollow just beyond The Rutland.

As I write these notes in the middle of October the wet weather has continued with two very wet days on 8th and 9th October. Much of the UK has had a lot of rainfall over the last few weeks. Holmesfield escaped much of the heavy rainfall during the first half of September, but we caught up with the rest of the country towards the end of the month. In addition to being very wet, September was also rather cold, with a mean temperature of 11.9°C, which is about one and a half degrees below normal.

The three inches of rainfall that fell on 30th September seemed to be a lot but Hurricane Milton that swept across Florida on 9th October dropped eighteen inches of rain on some parts.

Around midnight in Holmesfield on 8th October we had a very heavy shower when the rain fell at a rate of four inches an hour. Fortunately, that continued for only about 10 minutes, whereas in Florida it must have continued for several hours.

I quite like the sound of rain and indeed you can buy sound tracks of rainfall which are claimed to help relaxation and offer stress relief. I guess that this only applies if the rainfall is not sufficient to threaten your house, or even your life.

There are many poems written about rainfall. Henry Wadsworth Longfellow wrote;

*Be still, sad heart! and cease repining;
Behind the clouds is the sun still shining;
Thy fate is the common fate of all,
Into each life some rain must fall,
Some days must be dark and dreary.*
